

David J. González Fernández

Vice-Secretary (non-director) of the Board of Directors of Iberdrola Renovables Internacional, S.A.U.

Degree in Law from the University of A Coruña and LLM in European Legal Studies from the College of Europe, Bruges, Belgium (1999/2000 academic year).

OUTSTANDING EXPERIENCE FOR THE PERFORMANCE OF HIS DUTIES AT IBERDROLA RENOVABLES INTERNACIONAL, S.A.U:

He began his professional career in 2000 in the Regulatory Department of Enron Europe in London on matters related to the liberalization processes of the electricity and gas sector in Spain and Portugal, trying to contribute with ideas coming from the liberalization process of the sector in the United Kingdom. At the same time, being a Law graduate, he supported the subsidiary Enron España in all matters related to the processing of permits, accesses, etc., of the Combined Cycle of Arcos de la Frontera, which was eventually acquired by Iberdrola Generación, S.A.U.

Since April 2002 he has been working for Iberdrola. From that date until July 2006, he worked as a lawyer in the Gas Department of Iberdrola, S.A. and from July 2006 until the present, he has been worked in the Energy Management and Commercial legal services, which later became the Energy Management Legal Services, being its maximum responsible since January 2020.

Since April 2002, he has advised on the negotiation and signing of Iberdrola's long-term LNG supply contracts as well as on the associated price review litigation as well as in all type of supply and sale and purchase contracts so he has extensive experience in contracting and litigation subject to English law.

He has also been the lawyer who has advised the Energy Management Business in the preparation of the daily offer at the Iberian wholesale electricity market with extensive knowledge in the national and international sector regulations and in Competition Law.
